“JAI SHREE MATAJI”
International Sahaja Yoga Seminar – 2018
Nirmal Nagari, Ganapatipule
December 23 – 26, 2018

“I had a special purpose in coming to Ganapatipule, apart from that it was a very beautiful place and very relaxing for all of you. The reason is: I found this place had vibrations which will clear you out very easily. . .”

Her Holiness Shree Mataji Nirmala Devi, December 31, 1985

“Ganapatipule has a special significance – because He is Mahaganesha. The Ganesha at Mooladhara becomes Mahaganesha in the Virata, that is the brain . . . The main root, as they call the taproot, the main root is innocence, is Shri Ganesha. And He becomes Mahaganesha in Ganapatipule. . . Here He’s surrounded by the Father Principle, the Guru Principle of the sea, the ocean – the Indian Ocean. That is, here He becomes a Guru . . .

Here, as we see in Ganapatipule, Shri Ganesha is in its complete matured form; so that we develop also our Mahaganesha within ourselves . . .

Today we came to Ganapatipule, it has a great significance, among the Asthavinayaka – eight Swayambhus of Shri Ganesha). It is the place of Mahaganesha. Mahaganesha is Pithadhish (Governor of all pithas) and sitting on this pitha, he looks after (protects) all the Ganesha Swayambhus . . .”

Her Holiness Shree Mataji Nirmala Devi, January 1, 1986

“This seminar, or whatever you may call it, Ganapatipule, I don’t know what you call is a Divine congregation of all the Gods and Goddesses, is very symbolic to Me, because this represents the whole world, it represents the problems of the whole world and also the solutions. It’s such a beautiful idea. I don’t know how it worked into My head that I started this kind of a beautiful congregation to meet you all.”

Her Holiness Shree Mataji Nirmala Devi, December 24, 1990

“The other day somebody was asking Me how did You find Ganapatipule. Actually, I didn’t know, and in Maharashtra this is not a very well-known place. They go to Ashtavinayakas but not to this Mahaganapati. They had no idea. But I was coming back from Ratnagiri and I saw really a very big star on top of this temple. But nobody could see it, that’s the problem is. At that time, no sahaja yogis could see it.

So, I told them, let us follow this star. It was a very big, big one, unusually big, not like a star, but quite a big, big star, very unusual. But they couldn’t see it. Other people who were with Me they said that we can’t see it. I said, doesn’t matter. So, I told them to turn it, turn it from this Hadkamba they call it, and let us go on this another road. And we just followed it. They of course listened to Me, and they did not argue. And we were travelling, travelling, we were quite late, but still I [said], “Doesn’t matter, it’s alright, let’s go”.

By the time we reached Ganapatipule, it was the dawn, beautiful dawn, I can’t forget that. And in that dawn, we see such a beautiful place here where we are now. And I said, this is the place where we have to be, where we have to get all the sahaja yogis to. Of course, you know that Rabindranath Tagore has already described about this place that people will come here from all over the world and at the shore of Bharat this will be done. All these are predicted, have been done already, but how miraculously I discovered this place is very surprising as those three great men discovered Christ.

And the place was really blessed and was very beautifully vibrated. I stayed here for two days and I decided that this is the place we have to take”.
